

# At the Seaside

Year 2 Bee Class

Miss Hawksworth

Summer Term 2015

## Mathematics:

*In mathematics we will be continuing to develop and consolidate our knowledge and understanding of multiplication and division. We will also be consolidating adding and subtracting two-digit numbers. We are also looking at the standard pound and pence notation for amounts of money and we will also be adding various amounts money, including notes.*

## Topic:

*Our topic for this term is 'At the Seaside'. Within our topic we will be learning about the features of a seaside and what is at the seaside and we will also be learning about different seaside locations. Our learning will be based around different seaside stories, including 'Flotsam' and 'The Lighthouse Keepers Lunch'. We will be making our own seaside in a shoe box and will be designing and making our own picnic that we would take to the seaside.*

## Literacy:

*This term in literacy we will be learning about stories written by the same author. The author we have chosen is Roald Dahl. We will also be learning about the story of 'Flotsam', which is a picture book that we will be using as inspiration to write our version of the story.*

## Science:

*Our science topic this term is 'Plants'. We will be looking at how plants grow. We will be doing lots of investigations to find out what plants need to grow.*

## P.E.:

*In P.E. this term we will be participating in dance, learning routines and making our own routines.*

## Computing:

*We are learning to make a photo-story about the seaside stories that we are covering in our topic this term.*

## PSHE and R.E.

*Our R.E. this half term will be based around Jewish stories.*
